

Shinji SAITOU, et al.

(§371 of International Application PCT/JP04/16763)

REMARKS

The specification, claims and abstract have been amended in order to more particularly point out and distinctly claim the subject matter to which the applicants regard as their invention.

The above amendments are believed to place the specification, claims and abstract in proper condition for examination. Early and favorable action is awaited.

In the event that any fees are due in connection with this paper, please charge our Deposit Account No. 01-2340.

Respectfully submitted,
